Re: Transfer of funds for emergency clinic, Bir Zeit

Dear William,

After my telephone conversation some days ago I got assurance enough to ask for the transfer of funds for the completion of the emergency clinic in Bir Zeit.

Later in July, when Karin Bergman is back from vacation, we will transfer SEK 391.000 and ask you as member of the local building committee to handle the funds in the best possible way.

We are still keeping some USD 6.000 for unforeseen expenses in case absolutely needed.

Please keep us informed with:
progress reports and
financial statements.

Best regards
Yours sincerely

Rune Backlund
