WIDF Council Meeting
Moscow (USSR)
15-19 May 1978

Application for admission to the WIDF

Federation of Greek Women
Athens, Greece

Date of application: 18 January 1978

The Federation of Greek Women, founded in June 1976, comprises democratic women's organizations throughout the country as well as four national organizations (Progressive Union of Mothers, Democratic Union of Young Women, Housewives' Union and Union of Women in Legal Careers).

The goals set forth in our statutes are: legal and social equality of Greek women - problems of working women - social security - mother and child protection - education reform - problems of housewives and country women - adult literacy - co-operation with foreign organizations pursuing goals identical or parallel to ours - and, as the primary goal on which the common activity of women of all countries should be centred (as stated in Mexico, Berlin, and UN Plan for the Decade for Women) constant struggle for a lasting peace for all mankind.

In the name of our first Congress we wish to request affiliation to the Women's International Democratic Federation.
