"Israel Will Aid Returned Arabs", a Newspaper Clipping from the New York Times, September 1958

Dated September 28, 1958, this newspaper clipping is a news article from the New York Times entitled "Israel Will Aid Returned Arabs." The article claims that 20,000 Palestinian Refugees will be repatriated under the draft of a project launched by Levi Eshkol following the 1948 Nakba which aims to reunite displaced families. The article states that the Israeli Government allocated 20 million Israeli pounds to aid the repatriated refugees and mentions ways to recompensate the Palestinian farmers who lost their land.
