"Qula", 'Ādel az-Zawaty, a Paper Clipping

Handwritten in Arabic, this paper clipping documents the name of "Qula", a village in al-Ramleh depopulated in 1948. It is said that the shaheed Hasan Salameh was born there and that he, along with his comrades headed by Thu al-Kufl Abdel-Latif, had jumped off of a German military aircraft in Jordan Valley and took command over Jaffa. The last battle in which he took part took place in Ras al-Ayn, during which he was killed on 31 May 1948.
