"Kafr Zinnis", 'Ādel az-Zawaty, a Paper Clipping

Handwritten in Arabic, this paper clipping documents the name of "Kafr Zinnis", a village near al-Ramleh. On 28 June of the Palestine Great Rebellion 1936-39, a group lead by As'ad ar-Rantisy bombed the Kafr Zinnis Train, which resulted in the shaheeddom of Hafez Şaqr. Said village is known for a battle during which many were killed including Muhammad Salem Ibrahim Sa'id (aka Ibrahim al-Khawaja), and Muhammad Mahmud Abdel-Wahid.
