## **Salfit Village Council, Minutes of Meeting no. 19, 19 May 1950**

This document contains the minutes of the 19th session of the Salfit Village Council held on 19 May 1950. At the meeting, the Council discussed and amended its budget for the 1950-1951 session, and decided to submit it to the Nablus Kayemakam (sub-governor) for approval. The Council also decided to postpone separating the seventh grade from the sixth grade at the Salfit Boys School on the grounds that there were no rooms available with no possibility of building a new classroom.
