My dear Nurse,

Many thanks for your
very kind letter, dated
15th January. I am sorry
to know that you have
been ill for a long time,
since you came back from
the States. It must have
been a very strenuous journey.
I sincerely hope that you
have recovered your health
and that your spirit is
as high as ever.

Thank you very much
for your kind invitation
to visit you in Jamaica
at the end of this month.

together with Edward Wadsworth,
Harold Beeley, Anthony Luthin,
and possibly others. For
reasons beyond my control,
I cannot come at that
time. At the beginning
of April would suit us
fine, and perhaps it would
be a good idea, to divide
our group in two. I
would appreciate your
reaction, and for us it
would be better to travel
via Copenhagen. I know
who has a representation
here in Oslo, - I can
speak with him.

Eugene Liss and I are
looking forward to see
you in April. With our
warm wishes to you and
ADS from Eugene Liss and

Oslo, 22nd April, 1938

My dear Munk,

It was a great surprise
and pleasure to see you
at the Intercontinental Hotel
in Amman, while we were
visiting.

We returned to Oslo
yesterday after a very in-
teresting trip to the Middle
East. To day's mail included
a letter from our Foreign
Office, informing me that
a grant of N. kr. 1,000,000
had been ^{given} to N.S. Wike
and N. kr. to a dollar
means a grant of \$200,000,
which had been proposed
by me. I am very happy

with this quick decision,
my proposal was dated
30th March, and it will
~~be~~ ^{to} be channelled ^{to you} as
usual.

The other problems ~~with~~
we discussed will be an-
swered later.

Liza-Lisa joins me
in sending you our warm
wishes, hoping to see you
here in June.

Sincerely Yours

Alfred
