## Diaries of Khalil Sakakini, 17 November 1941

Handwritten, this archival item documents the continuation of the diaries of Khalil Sakakini on Monday, 17 November 1941, mentioning the visit of George Khamis, talking about different topics in literature, science, philosophy and education, in the context of talking about education, Sakakini confirms that the person in charge must be a specialist, has his own acquired and innate conditions, but in fact, most of those who run these schools lack these conditions.
