Dear Member,

The revised rates of subscription recommended by your Committee were approved at the Extraordinary General Meeting held on 13th July.

In my letter attached to the formal notice of the meeting I said that we had budgetted with the reasonable hope that no further increase would be necessary for three years.

In view of the considerable amount of administrative work involved would you please return the attached Banker's Order as soon as possible, and not later than 30th September 1977.

I am grateful for your continued support of our club.

Yours sincerely,

Roland Stewart Sandeman

Chairman

To be returned to the Secretary.
