Dear mr. Alami.

Enclosed you will find some pictures from my visit here in May and a gift from mrs. Treschow. The article about your work with the ADS will probably be published next month. It has been accepted by the weekend magazine of Norway's largest newspaper, the Aften-posten.

General Bull and mrs. Treschow send their very best regards with hope that you will soon get well, a hope certainly shared by me.

Yours sincerely

*Per A. Christensen*
