Dear Mr. Berman:

Thank you for your letter of 14.2. I remember the late Dr. Eliach very well: in fact, I did some of my own "stage" with him, before I finally joined the Palestine Bench. I also knew some of the Jerusalem Berman's, to whom you may be related; but do not unfortunately recall the pleasure of having made your personal acquaintance. Thank you for reminding me, and renewing it.

Quite naturally, I would be interested in your proposal and, if still open, would welcome the opportunity of further discussing it with your friend when he arrives.

Yours sincerely,

Anwar Nuseibeh
