A Letter Sent to Ismael al-Husseini

Undated and handwritten in English, this document shows a letter sent to Ismael al-Husseini in Adana concerning the new teacher who will join the teacher soon.

The new Turkish teacher
is even worse than the
other two. We see the
teachers sometimes & they
bring awful tales about
the school & the reign of
terror of Sheikh Zuhra.

Sheikh Zuhra's old mother
is at last dead. I wonder what
she will do now. Every body
predicts that she will get
married.

There has been a little fever
in the house, but nothing
serious. Mamma has had a

bad cold but is better and
sends much love.

Please give our love to the
brides we wonder how they
are also please give our love
to Chucky Bey and his
sons.

We are busy getting ready
for Xmas, and we miss you
very much indeed.

Friedrich joins me in
love & best wishes for your
welfare. And ~~again~~ again
thanking you for your
beautiful present to Anna Grace.
Your loving Mama.
