Beit-Jala-West Bank,  
Israel.

Dear cousin:

It was a great pleasure to receive your letter dated April 27/1980.  
Even though we don't know each other in person and the distance between us is so great, it is as if we had known you always.

We have always been sad and preoccupied with the thought of not being able to be with our aunts, specially in such trying moments as in the death of our aunt.

We want again to express our gratitude for the frequent assistance that you had lovingly given to our aunts and that you may be always next to Anastacia. Our family has 5 women and 2 men: Luis, the eldest of the men is an engineer and has one daughter; Marcelo is a doctor, works for the Social Security Hospital; he also has 4 girls and one boy, two girls are married and have 3 precious girls. Olga and Piedad are married and Olga have 7 childrens and 2 grandchildren and one on its way. Piedad have two boys and live in the New York.

The other members of the family are Juli, Blanca and Elena that live next to mama.

We would consider ourselves lucky if we could meet all of you personally and we ask God to grant us this favor.

We send all of you a most cordial embrace and a very special remembrance to aunt Anastacia and aunt Anzara.

For family Teuma Salti,

*Marcelo*  
Marcelo.
