The Ticket to the "Lamma Enjanena" Play, 1976

Found in the Adel Tartir Collection, this printed document shows a ticket for "Lamma Enjanena (When We Went Crazy)" Play, which was produced by the Wonder Box Troupe in 1976, where for the first time, the troupe devoted themselves to the theatre to establish a relationship with the audience. Therefore, to obtain support for their first play, the troupe suggested that tickets be sold for the amount the people can pay as a donation for the troupe.
